The Owner/Applicant and/or their Agent shall return this application along with the appropriate fee prior to scheduling testing. All checks should be made payable to “Allen Township.” The Township’s Sewage Enforcement Officer reserves the right to request a surveyor-prepared plot plan of the property if there are questions regarding the location of the property boundaries.

Please refer to Allen Township’s Onlot Sewage Permitting Procedure for full testing requirements.

**Applications for sewage permits should use the Application for Onlot Sewage Disposal System Permit.**
